- Lighting the fire (the birthday child gets to have a go lighting the fire if they want to)

##### FOOD PREPARATION

- We will prepare one simple item to bake or toast on the fire. It is possible to bake anything from cupcakes and bread to roast stuffed peppers. We can propose some simple recipes for your choice.

##### GAME

- Whilst the food is cooking we will play a team game or fun activity. We can propose a variety of games for your choice, such as:
  - Spider web: We create a web with string using the shelter next to the BBQ pit and each child must make it through the web without waking the spider
  - Bee Hive: the children are split into two teams, each team must work hard like busy bees to collect nectar to fill their hive – the first to fill their hive wins
  - Fill the water buckets: we'll tie ropes to water buckets and the children can throw these in the water and try to raise them full of water! (best for big kids and afternoons)
  - 1,2,3, Where are you? – a classic Forest School game which is a twist on traditional hide and seek

## BREAK FOR FOOD

### TOAST

- We will finish with toasting marshmallows, and;
- We will make a magic unicorn potion (using butterfly pea, butterfly pea syrup, edible glitter, butterfly pea flowers and lemon) to toast the birthday child. This can be incorporated with singing happy birthday.

#### OPTION 4

## THE SENSES OF NATURE FOR YOUNGER CHILDREN

GROUP SIZE:	up to 14 children aged 18m+
COST:	\$500 (includes one leader and one assistant)
DURATION:	1.5-2 hrs
LOCATION:	Any outdoor nature park or park / garden with a shelter and toilets would be appropriate. We can propose a couple of locations at the Singapore Botanic Gardens, Labrador Nature Park, Jurong Lake Gardens and so on.

#### PROGRAMME

##### STORY / THEME

- The senses of nature – smells, touch, tastes, colours and sounds
- Story: Wow said the Owl

##### ACTIVITY 1: Create a nature sensory box

The children will go on a hunt to find interesting colours, textures, smells and so on. We will pre-hide some interesting things for them to find such as spikey seed pods and feathers.

They will gather their things together to make a Nature Sensory Box.

##### ACTIVITY 2: Option 1: Make a Nature Rainbow

Each child will be given colour cards and tasked with finding matching colours.

We will bring all of the colours together and make a nature rainbow! We will pair this activity with the story: 'Wow Said the Owl'. Each child will get a sticker with the rainbow picture to take home.

##### ACTIVITY 2: Option 2: Natural Instruments

We will make natural instruments out of:

- Plastic bottles
- Seeds
- Seed pods
- Wooden sticks

- Bamboo

We will then use our instruments for a sing-a-long, including 'Happy Birthday' to the birthday child. The children will be able to take home their instruments.
